Please submit your pledge sheets as soon as possible. We prefer that pledge sheets be submitted in advance before the day of the event. It makes it easier to keep a tally of the pledges and determine which 3 teams win the awards for the most pledge dollar amounts. However, all pledge sheets must be presented no later than the day of the event at registration. Each Team Captain is responsible for submitting the pledge sheets and the funds raised. Please make check/money order payable to CDR either before or after the event.

NOTE: the minimum registration fee is \$200.00 per team or \$50.00 per individual not participating on a team. This is due by September 5, 2010.

* Use as many pledge sheets as you need.
