

**W**elcome to the Center for Disability Rights' fourth annual Wheel-A-Thon.

Wheel-A-Thon 2009 will benefit the programs of CDR, raise awareness of access issues faced by folks with disabilities and promote the independence of individuals with disabilities.

Last year, funds went to eleven scholarships for youth with disabilities; four participants in CDR's youth transition services; and to support peer support group activities for youth.

Thank you for your support and your participation, and have a great time at this unique event!
