

Welcome to the fourth annual Wheel-A-Thon to benefit the programs and activities of the Center for Disability Rights & its partners.

Wheel-A-Thon 2009 will raise awareness of access issues faced by folks with disabilities and activities that promote the independence of individuals with disabilities.

Last year, funds went to CT KASA; scholarships for college bound youth with disabilities; CT Jammers Quad Rugby; support groups for young folks; and CDR's transition services.

Thank you for your support and your participation, and have a great time at this unique event!
